**Pit to Pit** measurement is from armpit to armpit. Find a garment of yours that fits well and is similar to our T-shirt. Lay it down flat and fully extended, but make sure not to stretch it unnaturally. Measure your garment from armpit to armpit across the chest and select a size that corresponds to our chart. If you fall between two sizes, we recommend choosing the larger size.

**Length** measurement is from the top of the shoulder to the bottom of the hemline.
